**Q7: The amount of text for this module was**

Score	Percentage
Too short	11.11%
Just right	88.89%
Too long	-

**Q8: The study time estimated for this module was**

Score	Percentage
Too short	-
Just right	100%
Too long	-

**Q9: What are the three best features of this module for you**

Videos
All modules have shown not at once
Big variation
Interesting about communication and motivational interviewing
1. pedagogical aspects 2. pedagogical models 3. communication models
Lucid Simple
Clear, practical
- mises en situation vidéo - Bien imagé - pas trop de texte
Great Interactive Videos; funny and useful
Motivation interview
Podcast with summary
Useful videos
Knowledge about pedagogical concepts
Active listening

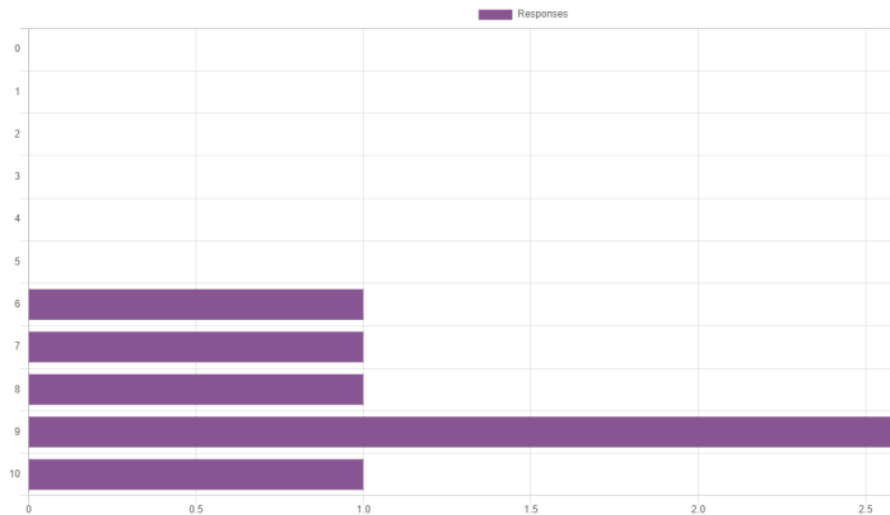

**Q10: Please give any suggestions or comments here**

Podcast (without slides) was for me not the best way to learn
Liked the videos(interactive clinical cases) which were funny and useful. Was laughing and learning. That's a good thing.

## Module 2 - Practise of patient education

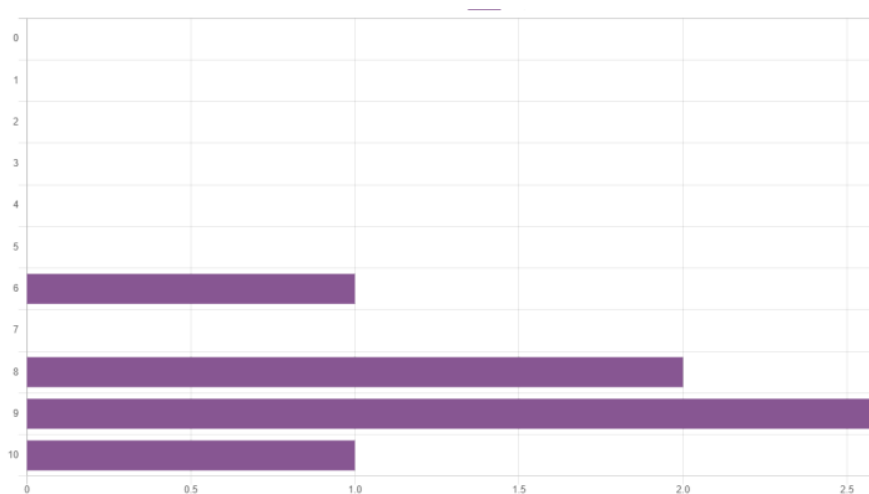

Number of survey participants: 7

### Q1: The module was very well organised.

Score	Percentage
10	14.29%
9	42.86%
8	14.29%

Q7: The amount of text for this module was

Q8: The study time estimated for this module was

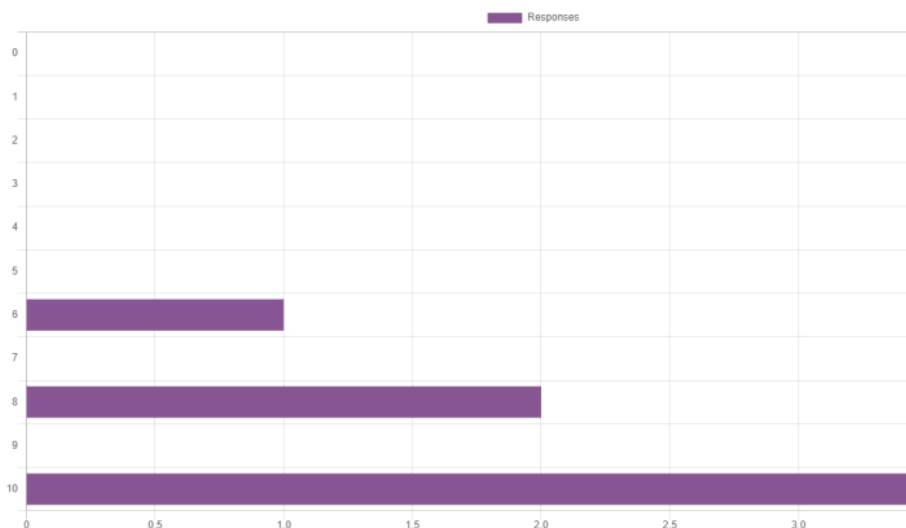

**Q9: What are the three best features of this module for you**

Interesting but confusing and repetitive
The concept of educational diagnosis. Both the Interactive Clinical Cases that were presented clearly. Psychological factors to consider in patient education.
It was good
Clinical case, Exercises, References
Videos, Practices, Images
Lucid simple, well written
Biopsychosocial model educational diagnostic interview

## Module 3 - Concrete realisation of a patient education programme

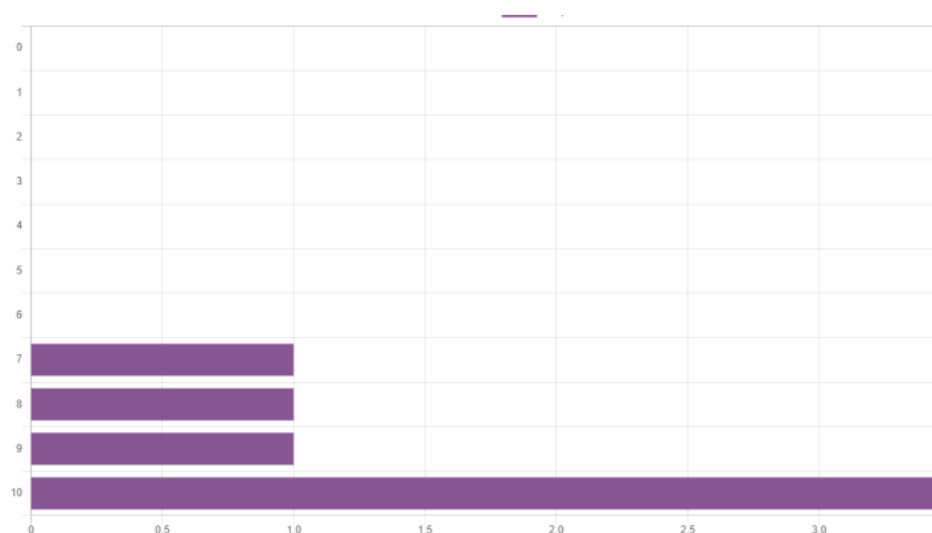

Number of survey participants: 7

### Q1: The module was very well organised.

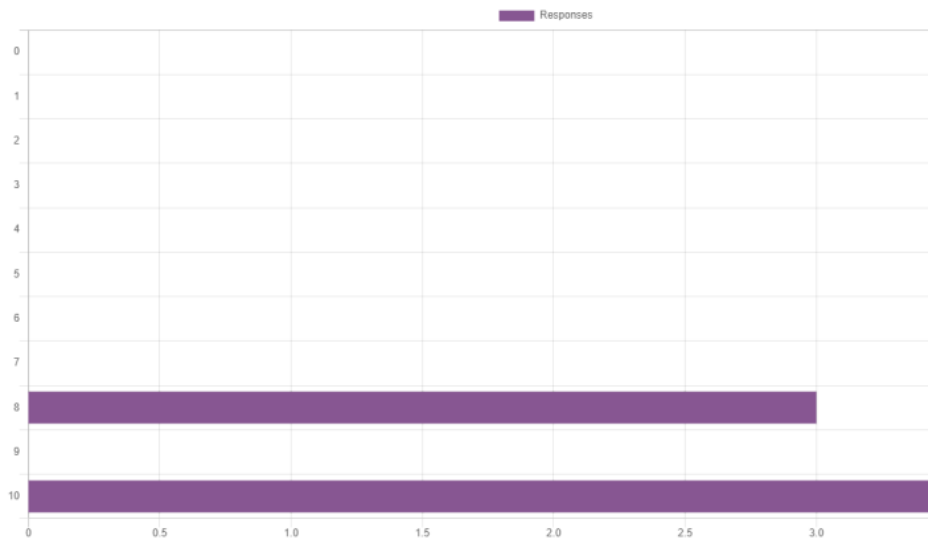

Score	Percentage
10	57.14%
9	-

Q7: The amount of text for this module was

Score	Percentage
Too short	14.29%
Just right	71.43%
Too long	14.29%

Q8: The study time estimated for this module was

Score	Percentage
Too short	-
Just right	85.71%
Too long	14.29%

**Q9: What are the three best features of this module for you**

Lucid simple
The video about the different workshops
The education sheet, Interesting material
Clinical case, Exercises, References
Videos, Practices, Images
Pedagogical sheet : Example of SLE evaluation
Workshop, SLE teaching pack
The Example of PE in Lupus

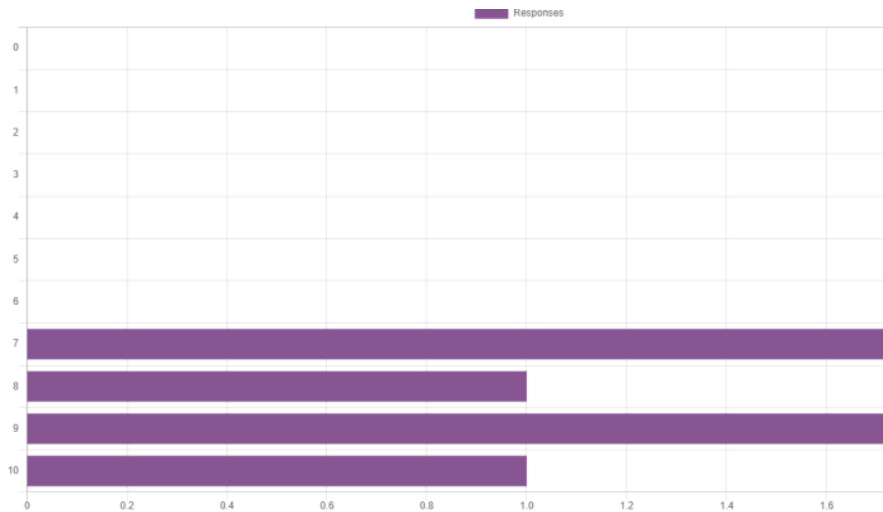

**Q10: Please give any suggestions or comments here**

Sound quality on videos not always of very good quality
Example of pedagogical sheet in other diseases: rheumatoid arthritis; systemic sclerosis

## Module 4 - Future of patient education

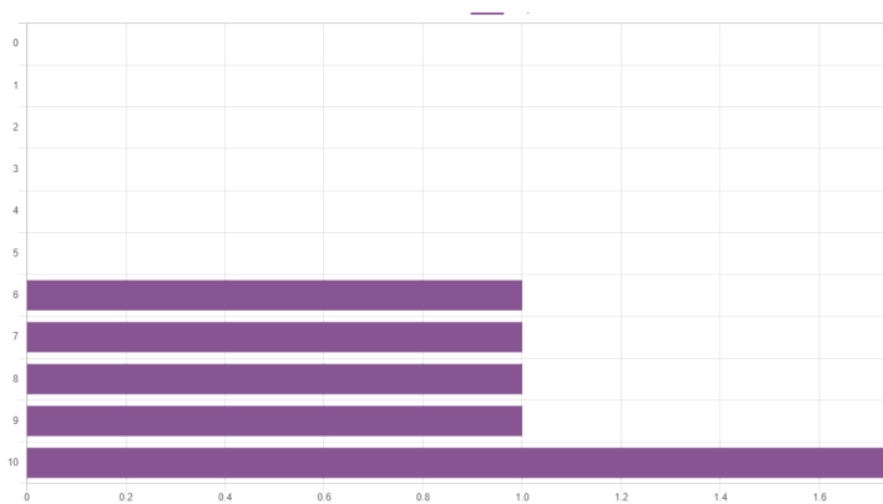

Number of survey participants: 6

### Q1: The module was very well organised.

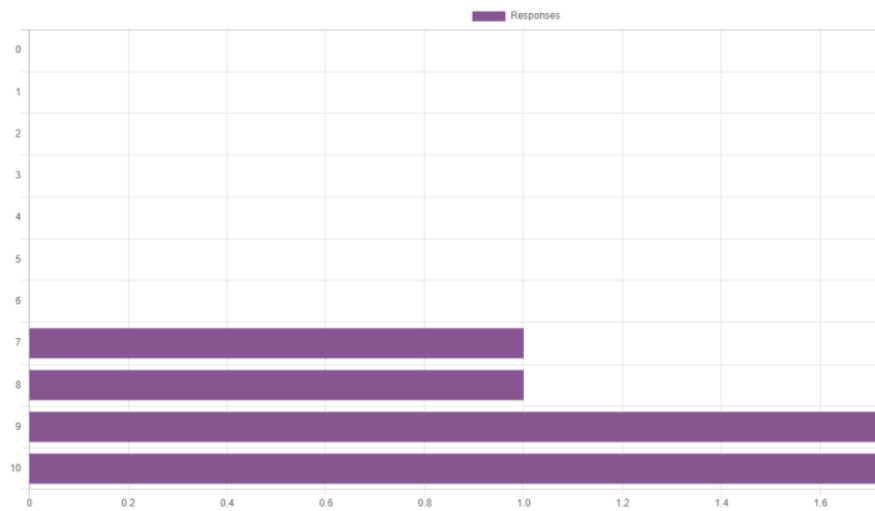

Score	Percentage

Just right	83.33%
Too long	-

Q8: The study time estimated for this module was

Score	Percentage
Too short	16.67
Just right	83.33%
Too long	-

**Q9: What are the three best features of this module for you**

Point of view of patient expert EPE and the topic of qualitative expert
Nicely written, useful PDF
The VDO of Mr Jacquemet and the last VDO are very well done
Very interesting questions in the quiz at the end.
Very concrete knowledge applicable
