

VIII UKRAINIAN NATIONAL CONGRESS OF RHEUMATOLOGY WITH INTERNATIONAL PARTICIPATION

26 - 29 October 2021

rheumahub.org.ua

Dear colleagues!

On October 26–29, 2021 the VIII Ukrainian National Congress of Rheumatology will be held in Kyiv (registration certificate №732 UkrIStEI dated November 25, 2021, regarding the approved events in 2021 by the Ministry of Health and the National Academy of Medical Sciences of Ukraine).

The Congress will be organized in a hybrid format, combining live (off-line) meetings, workshops (a limited number of participants) with simultaneous broadcast on the YouTube channel.

Using digital technologies, we have a unique opportunity to share the latest advances in science and clinical practice.

The program of the Congress is the result of joint efforts of the European Alliance of Associations for rheumatology (EULAR) experts and leading national scientists.

The Congress will be devoted to the most relevant topics of rheumatology and internal medicine, providing professional coverage of multidisciplinary issues and will be a great educational event for physicians of different specialties.

We are pleased to welcome the speakers of the European Alliance of Associations for rheumatology at the Ukrainian National Congress of Rheumatology:

Prof. Peter Taylor (United Kingdom)
Norman Collisson Professor of Musculoskeletal Sciences
Head of Experimental Rheumatology
Botnar Research Centre
Nuffield Department of Orthopaedics, Rheumatology and Musculoskeletal Sciences, University of Oxford

Prof. Ronald van Vollenhoven (Netherlands)
Amsterdam University Medical Centers
Chair, Department of Rheumatology and Clinical Immunology, AMC and VUMC
EULAR and FOCIS Center of Excellence
Director, Amsterdam Rheumatology and Immunology Center ARC
Chair, Rheumatology Research Council, READE
Editor-in-Chief, Lupus Science and Medicine

Prof. Josef Smolen (Austria)
Division of Rheumatology
Department of Internal Medicine 3
Medical University of Vienna
Editor-in-Chief, Annals of the Rheumatic diseases

Prof. Daniel Aletaha (Austria)
Head of the Division and Chair of Rheumatology
Department of Internal Medicine 3
Medical University of Vienna

The main scientific and practical approaches of the Congress:

- Updated EULAR and ACR recommendations.
- What is new in spondyloarthritis?
- COVID-19 rheumatic diseases.
- Main issues of rheumatoid and psoriatic arthritis management.
- Effectiveness and safety of innovative therapy in inflammatory arthropathies.
- Advances in systemic lupus erythematosus.
- Diagnostic and treatment challenges in systemic vasculitis.
- Advances in the management of systemic scleroderma and inflammatory myopathies.
- Osteoarthritis as a multidisciplinary problem.
- Gout and hyperuricemia.
- Progress in systemic osteoporosis.
- Infectious safety and vaccination issues in rheumatic diseases in the COVID-19 era.
- Rational approaches to non-steroidal anti-inflammatory drugs (NSAIDs), glucocorticoids, disease modifying anti-rheumatic drugs (DMARDs) administration.
- Balanced approach to the biosimilars administration.
- Juvenile onset rheumatic diseases: state-of-art status.
- Comorbidity in rheumatology.
- Lung involvement in rheumatic diseases.
- Progress in the chronic pain management.
- Advances in imaging techniques in rheumatology.
- Prospects of patients' organizations activity.

The program of the Congress include:

- Plenary and sectional sessions;
- Symposia, master classes from leading specialists;
- Review of comorbidity with other specialists: orthopedists-traumatologists, dermatologists, gastroenterologists, cardiologists, neurologists, pulmonologists, infectious disease specialists;
- Discussion of difficult to treat clinical cases;
- Young scientists contest;
- Poster sessions;
- Industrial symposia.

Official languages of the Congress: Ukrainian, English

According to App. 5 to the procedure for physicians attestation (order of the Ministry of Health of Ukraine № 446 dated 22.02.2019), the participants of the Congress will be awarded with credits: Congress participation – 20 credits; oral presentation – 30 credits.

Participation in the VIII Ukrainian National Congress of Rheumatology is free of charge.

For young scientists, whose research will be selected to participate as oral presentation in the contest, accommodation expenses will be covered.

Form of participation:

- oral presentation (15 min),
- oral presentation on young scientists contest (10 min),
- abstract

Abstract submission:

Abstracts will be posted on the website **rheumahub.org.ua** as a Supplement to the «Ukrainian Journal of Rheumatology» in PDF format and will be available for free access.

Abstracts submission should be done until August 2, 2021 on e-mail **orgmetod2017@gmail.com** with a mandatory note – oral presentation, young scientists contest, poster presentation.

1. Abstracts should be made in Word format in the Congress official languages, up to 4000 characters, font Times New Roman, 12 pt. with 1 interval.

2. Abstract structure:

Title of the publication (in capital letters); authors surname and initials; affiliations, address. The abstract should be structured: the aim of the study; objectives, methods; results; conclusions.

3. One file should contain one abstract. The name of the file should be made as follows: first author surname, initials, city, work number.

For example: ZavgorodniyVIDnipro1 for the first work and ZavgorodniyVIDnipro2 for the second work. The file name is provided in Ukrainian without spaces and punctuation.

4. Please send authors information in the same file together with the abstracts in format: abstract title, authors, affiliations, address, contact phone and e-mail. The author authorized to contact the organizing committee should be indicated.

5. **Caution!** All medicines listed in the text of the abstract should be provided with international nonproprietary names for pharmaceutical substances, avoiding commercial name of drugs.

6. Abstracts that do not meet the requirements will be rejected by the organizing committee without the consent of the authors.

Forms of poster presentations:

Off-line poster presentation:

- Personal presence
- Poster size 90x100 m
- The duration presentation up to 10 minutes

On-line poster presentation:

- Create your e-poster in Power Point, 6 slides
- Font types – Times New Roman, Helvetica, Arial, Calibri, Verdana or Symbol
- Font size – 14 or more points. The title should be underlined
- Animated GIFs and videos are not allowed

E-poster format:

- Title, author(s), affiliations, email (at the top edge across the slide width)
- Disclosures
- Aim
- Methods
- Results
- Conclusions

The text in the poster should include pictures, tables, diagrams, photos.

Organizing Committee:

phone: +380 (44) 275-66-22,
+380 (068) 072-91-38.

E-mail: orgmetod2017@gmail.com

AGENDA

October 26 (Tuesday)

HALL "A, E, F, BCD"

9: 00-9: 10 OPENING OF THE CONGRESS

Academician of the National Academy of Medical Sciences of Ukraine, President of the Ukrainian Association of Rheumatologists of Ukraine, Professor V.M. Kovalenko (Kyiv)

9: 10-9:30 Problem report: Innovative technologies and progress of rheumatology: vector for the future

Academician of the National Academy of Medical Sciences of Ukraine Professor V.M. Kovalenko

9: 30-10: 30 Scientific-practical symposium: Glucocorticoids in today's conditions: how has the vector of application changed?

Moderator: prof. O.A. Golubovska (Kyiv)

1. Ways to optimize the use of glucocorticoids in systemic lupus erythematosus prof. O.B.. Yaremenko, D.I. Kolyadenko (Kyiv) - 20 minutes

2. RA in combination with COVID-associated myocarditis: the complexity of therapeutic tactics Ph.D. O.O. Garmish (Kyiv) - 20 minutes

Scientific discussion - 20 minutes

10.30-11.10 Scientific-practical symposium: Patient-oriented approach to the treatment of inflammatory arthritis

Moderator: prof. Yaremenko OB

1. Similarity of approaches and difference in challenges: "basic therapy" of rheumatoid arthritis and spondyloarthritis

Ph.D. Yu.V. Bilyavska -15 minutes

2. Treatment of patients with rheumatoid arthritis: can we achieve more?

prof. O.B.. Yaremenko -15 minutes

Answers to questions -10 minutes

11.10-12.10 Interdisciplinary discussion: Hyperuricemia: limits of interdisciplinary powers

Moderator: Acad. NAMS of Ukraine VM Kovalenko

Participants: prof. D.G. Rekalov, prof. I.Yu. Golovach, MD S.V. Kushnirenko

12.10-13.20 Scientific-practical symposium: Modern paradigms in the management of patients with OA on

junction of recommendations. Changing views and attitudes to treatment: the focus is collagen

Moderator: prof. O.B.. Yaremenko (Kyiv)

1. The feasibility of using chondroprotectors in osteoarthritis: at the junction of recommendations prof. I.Yu. Golovach (Kyiv) - 15 minutes

2. A practical look at the proposed scientific advice: is consensus possible?

prof. D.G. Rekalov (Zaporizhzhya) - 15 minutes

3. Undenatured type II collagen in Health and Disease

Vijaya Juturu, Ph.D, FACN, FAND - 15 min.

4. The results of a 6-month clinical study of undenatured collagen type II in patients with osteoarthritis of the knee

prof. O.B.. Yaremenko (Kyiv) - 15 minutes

Answers to questions -10 minutes

13.20 - 14.00 BREAK

14.00-14.45 Scientific and practical symposium:

OA treatment: from recommendations to daily practice

OA treatment: from guidelines to daily practice

Participant: Francois Rano, Acad. VM Kovalenko (Kyiv), prof. NV Grigorieva (Kyiv)

Pr Francois Rannou, MD, PhD (Paris) - 30 min.

Discussion - 15 minutes.

**14: 45-15: 05 Problem report: The problem of osteoporosis and alimentary calcium deficiency
prof. T.F. Tatarchuk (Kyiv) -20 min.**

**15: 05-15: 55 Scientific and practical symposium: Psoriasis and psoriatic arthritis: a dialogue
between a rheumatologist and a dermatologist**

Moderator: prof. D.G. Рекалов

**Participants: Ph.D. O.O. Garmish (Kyiv), prof. D.G. Rekalov (Zaporozhye), prof. B.V. Litvinenko
(Kyiv)**

15: 55-16: 55 Round table: Treatment of inflammatory arthritis in the COVID era 19

Moderator: Ph.D. O.O. Garmisch

1. How the pattern of inflammatory arthritis changed during the COVID pandemic 19

Ph.D. O.O. Garmish (Kyiv) - 20 minutes

2. How to restore remission after a break in the treatment of rheumatoid arthritis?

prof. A.M. Gnilorybov (Kyiv) - 20 minutes

3. Features of basic therapy for COVID 19 and vaccination in patients with rheumatoid arthritis

prof. I.Yu. Golovach (Kyiv) - 20 minutes

17: 00-18: 00

1. Opening of the National Congress of Rheumatologists of Ukraine

2. Topical speech

acad. NAMS of Ukraine, prof. V.M. Kovalenko (Kyiv) - 15 minutes

3. Congratulations

4. Rewarding

HALL GH 26.10

13.20 - 14.00 BREAK

14:00 - 17:15 Competition of young scientists

Moderators: prof. O.B.. Yaremenko, Ph.D. Yu.V. Bilyavska, Ph.D. A.S. Крилова

**1. Model of experimental induction of systemic scleroderma: focus on remodeling of the
respiratory lungs**

B.V. Doskalyuk (Ivano-Frankivsk) - 10 minutes

Answers to questions - 5 minutes.

2. Sarcopenia in young adults with juvenile idiopathic arthritis

M.S. Kulik (Kyiv) - 10 minutes

Answers to questions - 5 minutes.

**3. Component of physical activity in assessing the quality of life of children with juvenile idiopathic
arthritis.**

AA Fadeeva (Kharkiv)) - 10 minutes

Answers to questions - 5 minutes.

4. Assessment of limitation of vital functions due to neck pain (Neck Disability Index) in patients with ankylosing spondylitis.

N.V. School (Vinnytsia) - 10 minutes

Answers to questions - 5 minutes.

5. Aseptic necrosis of the femoral head in patients with SLE: a retrospective analysis of risk factors, tactics of diagnosis and treatment.

V.V. Dubas (Kyiv) - 10 minutes

Answers to questions - 5 minutes.

6. Analysis of the effectiveness of treatment of patients with ankylosing spondylitis with fibromyalgia

I.I. Shapoval (Vinnytsia) - 10 minutes

Answers to questions - 5 minutes.

7. Comparison of the effectiveness of different regimens of infliximab therapy in patients with ankylosing spondylitis

M.L. Pasternak (Kyiv) - 10 minutes

Answers to questions - 5 minutes.

8. Evaluation of disease-specific indicators in patients with ankylosing spondylitis with and without alexithymia

VV Vasilets (Odessa) - 10 minutes

Answers to questions - 5 minutes.

9. Determination of the level of disability in patients with RA according to the DRI questionnaire (Disability Rating Index) - the index of disability.

Ye.I. Shalkovsky (Vinnytsia) - 10 minutes

Answers to questions - 5 minutes.

10. Local and systemic changes in bone tissue in men with ankylosing spondylitis: assessment of risk factors.

A.O. Sytenko (Kyiv) - 10 minutes

Answers to questions - 5 minutes.

11. Cross-cultural adaptation and validation of the Ukrainian version of the CSI (Central Sensitisation Inventory) questionnaire - a scale of central sensitization for patients with RA.

V.O. Bombela (Vinnytsia) - 10 minutes

Answers to questions - 5 minutes.

Discussion -15 minutes

27 October 2021

Hall «A,E,F,BCD»

9.00-10: 30 Round table: Osteoarthritis and comorbidity

Moderator: prof. N.V. Grigorieva, prof. I.Yu. Head

1. Osteoarthritis: stages of aging or pathology?

prof. N.V. Grigorieva (Kyiv) - 20 minutes

2. Osteoarthritis: the possibility of exposure to hyperuricemia and disorders of carbohydrate metabolism

prof. O.P. Bortkevych (Kyiv) - 20 minutes

3. The main factors of osteoarthritis progression: the influence of comorbidity

prof. I.Yu. Golovach (Kyiv) - 20 minutes

4. Possibilities of modern therapy of post-traumatic osteoarthritis

prof. O.A. Buryanov (Kyiv) - 20 minutes
Answers to questions - 10 minutes.

10.30-11: 40 Round table: Pain syndrome: pathology, progression and pharmacotherapy
Moderator: Corresponding Member. NAMNU SS Strafun, prof. I.Yu. Golovach (Kyiv)

1. Problems of diagnosis and treatment of chronic shoulder pain
S.S. Strafun (Kyiv) - 20 minutes.
2. Possibilities of NSAIDs in acute pain and inflammation syndromes
I.Yu. Golovach (Kyiv) - 20 minutes
3. The modern role of algometry in the diagnosis of fibromyalgia.
O.B. Dzekan (Vinnytsia) - 20 minutes
Answers to questions - 10 minutes.

11:40-13:00 JOINT SESSION OF THE UKRAINIAN ASSOCIATION OF RHEUMATOLOGISTS AND THE EUROPEAN ALLIANCE OF THE ASSOCIATION OF RHEUMATOLOGISTS (EULAR)

Participants: Prof. Peter Taylor, prof. O.B. Yaremenko, Ph.D. O.O. Garmisch

Janus kinase inhibitors - the new opportunity for the management of rheumatic diseases

11.40-12.10

JAK inhibitors in rheumatoid arthritis: the journey from mechanistic studies to clinical practice.
Prof. Peter Taylor (EULAR, United Kingdom) - 20 min.
Questions and answers -10 min.

12.10-12.30

Modification of autoimmune inflammation based on Janus kinase inhibitors
Prof. Oleg Yaremenko - 20 min.

12.30-12.50

Safety profile of the JAK inhibitors
Olena Garmish, PhD - 20 min.

Discussion - 10 min.

13:00-13: 20 Problem report: Methotrexate is mysterious and always young
prof. A.M. Gnilyorbov (Kyiv) - 20 minutes

13:20-14:00 BREAK

14:00-14:40 Scientific and practical symposium: Spondyloarthritis 2021: what's new?

Moderator: Ph.D. O.O. Garmisch

Participants: Ph.D. O.O. Garmish (Kyiv) - 15 minutes, prof. D.G. Rekalov (Zaporizhzhya) -15 minutes
Answers to questions -10 minutes

14: 40-15: 00 Problem report: The role of intestinal microbiota in the development of joint pathology
prof. A.Ye. Dorofeev

15.00-17.00

JOINT SESSION OF THE UKRAINIAN ASSOCIATION OF RHEUMATOLOGISTS AND THE EUROPEAN ALLIANCE OF THE ASSOCIATION OF RHEUMATOLOGISTS (EULAR)

Учасники: Prof. Josef Smolen, Prof. Daniel Aletaha, prof. D.G. Rekalov, Ph.D. Yu.V. Bilyavska

15.00-15.30

Biosimilars in Rheumatology

Prof. Josef Smolen (EULAR, Austria) - 20 min.

Questions and answers -10 min.

15.30-15.50

проф. Д.Г. Рекалов (Запоріжжя) – 20 хв.

Biosimilar approaches in rheumatology: are there safe and effective opportunities?

Prof. Dmytro Rekalov (Zaporizhzhya, Ukraine) - 20 min.

15.50-16.20

Disease activity and outcome measures in inflammatory arthropathies

Prof. Daniel Aletaha (EULAR, Austria) - 20 min.

Questions and answers -10 min.

16.20-16.40

Tapering of disease-modifying antirheumatic drugs: an illusion or necessity?

Iuliia Biliavska, PhD (Kyiv, Ukraine) - 20 min.

Discussion - 10 min

17:00-17:40 Scientific and practical symposium: The place of TNF inhibitors in the modern strategy of treatment of ankylosing spondylitis.

Moderator: prof. D.G. Рекалов

Participants: prof. D.G. Rekalov (Zaporizhzhya), Ph.D. S.A. Trypilka (Kharkiv)

Hall (GH)

9: 00-9: 20 Problem report: The range of clinical manifestations and modern approaches to the treatment of lung lesions in rheumatic diseases

prof. I.Yu. Golovach (Kyiv) - 20 minutes

9: 20-10: 00 Round table: Interstitial lung disease. Important aspects for the practice of a rheumatologist.

Moderator: Ph.D. Yu.V. Bilyavska

1. Interstitial lung disease: the current state of the problem. The view of a pulmonologist

Ph.D. Є.О. Merenkova (Kyiv) - 15 minutes

2. RA-associated interstitial lung disease: the potential of disease-modifying agents.

Ph.D. Yu.V. Bilyavska (Kyiv) - 20 minutes

Discussion - 5 minutes

10.00-10: 50 Round table: The importance of timely diagnosis and treatment of ILD-SS

Moderator: prof. R.I. Яцишин1.

1. Importance of early identification, monitoring and treatment of ILD-SS

Yatsyshyn R.I.

2. A new paradigm of ILD-SS patient treatment

Stanislavchuk M.A.

Q&A – 10 min

10: 50-11: 10 Problem report: Fracture in a patient with rheumatic pathology: how to prescribe treatment?

prof. N.V. Grigorieva (Kyiv) - 20 minutes

11: 10-13: 20 Plenary session: Osteoporosis: current issues.

The meeting is dedicated to the memory of Professor VV Povoroznyuk.

Moderator: Acad. V.M. Kovalenko, prof. O.P. Bortkevich, prof. N.V. Grigoriev

1. FRAX in the diagnosis of osteoporosis: a universal tool or key to diagnosis?

N.V. Grigorieva (Kyiv) - 20 minutes

2. Violation of bone mineral density in inflammatory spondyloarthropathies

O.P. Bortkevich, A.O. Sytenko (Kyiv) - 20 minutes

3. Prevention of osteoporosis, falls and fractures

I.Yu. Golovach (Kyiv) - 20 minutes

4. Osteoporosis and osteoarthritis: interrelated diseases?

N.V. Grandfather, NN Yakovenchuk (Kyiv-Kharkiv) - 20 minutes.

5. Treatment of bone fractures in osteoporosis

And V. Kalashnikov (Kyiv) - 20 minutes.

6. Bisphosphonates in the treatment of osteoporosis: trends and traditions.

D.G. Rekalov, I.Yu. Golovach (Zaporizhzhya-Kyiv) 20 minutes

Answers to questions - 10 minutes.

13:20-14:00 Break

14:00-15:20 Joint meeting of the Ukrainian Association of Rheumatologists of Ukraine and the Associations of Pediatric Rheumatologists of Ukraine

Rheumatic diseases in children in the era of the COVID-19 pandemic

Moderator: prof. L.F. Bogmat

Introductory word: prof. L.F. Bogmat (Kyiv) -10 min.

1. COVID-19 pandemic and rheumatic diseases in children

L.F. Bogmat (Kyiv) - 15 minutes

2. MIS-C: a new disease or a new vision of Kawasaki disease in children?

O.A. Oshlyanska (Kyiv) - 15 minutes

3. Management of children with rheumatic diseases in a COVID-19 pandemic: problems and their solutions

N.S. Shevchenko (Kharkiv) -15 minutes

4. Vaccinate or wait - an important issue for children with rheumatic diseases.

Yu.V. Vyzhga (Vinnytsia) - 15 minutes

Answers to questions -10 minutes

15: 20-16.00 Scientific and practical symposium: Recommendations for the treatment of RA: a personalized approach to the choice of therapy

Moderator: Ph.D. O.O. Garmisch (Kyiv)

Participants: Ph.D. O.O. Garmish (Kyiv), Ph.D. T.O. . Mefford (Kyiv)

16:00 -17: 10 Section meeting: Fundamental and regenerative medicine
Moderators: Academician VM Kovalenko, G.O. Protsenko (Kyiv)

- 1. New possibilities of PRP-therapy in the treatment of osteoarthritis**
G.O. Protsenko (Kyiv) - 15 minutes
- 2. Cell therapy in the treatment of SCD**
O.O. Garmish, VG Levchenko (Kyiv) - 15 minutes
- 3. Conceptual principles of application of regenerative technologies at osteoarthritis and aseptic necrosis of hip and knee joints**
EL Golyuk (Kyiv) - 15 minutes
- 4. Cell therapy in rheumatology: possible directions**
I.S. Nikolsky (Kyiv) - 15 minutes

Answers to questions - 10 minutes.

17: 10-17: 45 Master class: Rheumatic diseases and pulmonary hypertension
Moderator: prof. Yu.M. Sirenko

- 1. Pulmonary hypertension: an algorithm for diagnosis and treatment**
prof. Yu.M. Sirenko -20 minutes
- 2. The role of echocardiography in the diagnosis of pulmonary hypertension**
Ph.D. N.S. Polenova, E.Yu. Titov (Kyiv) - 10 minutes

Answers to questions - 5 minutes.

28 October 2021

HALL «A,E,BCD»

9: 00-10: 40 Section meeting: Gout: theoretical and practical aspects of management in different situations
Moderator: prof. SI Smiyan, prof. G.P. Kuzmina

- 1. Implementation of current recommendations for gout: unresolved issues, discussions, problems**
SI. Smiyan (Ternopil) - 15 minutes
- 2. Comorbid pathology and its role in the clinical course of gout**
G.P. Kuzmina, OM Lazarenko (Kryvyi Rih) - 15 minutes
- 3. Possibilities of renoprotection in patients with gout**
L.V. Himion (Kyiv) - 15 minutes
- 4. Gout: new ways to optimize the treatment of patients**
V.Ye. Kondratyuk (Kyiv) - 15 minutes
- 5. The possibility of resorption of tofus on the background of urate-lowering therapy**
S.A. Trypilka (Kharkiv) - 15 minutes
- 6. Differentiated approach to urate-lowering therapy of gout depending on age and comorbidity**
A.S. Krylova (Kyiv) - 15 minutes

Answers to questions - 10 minutes.

10: 40-11: 50 Round table: Systemic lupus erythematosus and antiphospholipid syndrome: diagnosis verification and management

Moderator: prof. G.O. Protsenko

1. Systemic lupus erythematosus: the state of the problem in Ukraine

prof. G.O. Protsenko (Kyiv) - 20 minutes

2. Criteria and non-criteria antiphospholipid syndrome: features of the clinical course

prof. I.Yu. Golovach (Kyiv) - 20 minutes

3. Modern approaches to the treatment of APS

prof. S.V. Shevchuk (Vinnytsia) - 20 minutes

11: 50-13: 20 Section meeting: Systemic connective tissue diseases: variants of clinical manifestation

Moderator: prof. G.P. Kuzmina, prof. VV Chopper

1. The case of transformation of Lyme disease into systemic lupus erythematosus (without conflict of interest)

S.A. Trypilka (Kharkiv) - 15 minutes

2. Special forms of lesions of the nervous system in connective tissue diseases: a multidisciplinary problem

O.B. Chicken, T.K. Lysunets, VV Semenov (Dnipro) - 15 minutes

3. Diagnostic and therapeutic problems of ANCA-associated vasculitis.

Monitoring

A.P. Kuzmina (Kryvyi Rih) - 15 minutes

4. Syndrome of activated viral infections (immunodeficiency syndrome) in patients with systemic connective tissue diseases

VV Chopyak (Lviv) - 20 minutes

Answers to questions - 5 minutes.

13:20-14.00 Break

14.00-15.30

JOINT SESSION OF THE UKRAINIAN ASSOCIATION OF RHEUMATOLOGISTS AND THE EUROPEAN ALLIANCE OF THE ASSOCIATION OF RHEUMATOLOGISTS (EULAR)

Systemic lupus erythematosus. What is new?

Учасники: Prof. Ronald van Vollenhoven, prof. R.I. Yatsishin, Ph.D. T.O. Mefford

14.00-14.30

Latest News in Lupus: A New Day Dawning?

Prof. Ronald van Vollenhoven (EULAR, Netherlands) - 20 min.

Questions and answers -10 min.

14.30.-14.50

Features of heart damage in connective tissue diseases

Prof. Roman Yatsyshyn (Ivano-Frankivsk, Ukraine) -20 min.

14.50-15.20

Pregnancy planning for SLE. What to look for?

Tetiana Mefford, PhD (Kyiv, Ukraine) - 20 min.

Discussion - 10 min

15.30-16.10 International scientific-practical symposium: Methotrexate in questions and answers.

Moderator: O.O. Garmisch

1. Advantages of subcutaneous administration of methotrexate in comparison with oral in the treatment of patients with RA

Prof. Dr. med. Christoph Fiehn (Baden-Baden, Germany) - 20 min.

2. Scientific discussion: methotrexate in questions and answers

O.O. Garmish (Kyiv) - 20 minutes

16: 10-16.50 Scientific-practical symposium: Modern strategy of treatment of juvenile rheumatoid arthritis

Moderator: prof. T.V. Marushko (Kyiv)

Participants: prof. I AM. Boyko (Lviv), OM Mukvich (Kyiv), TV Marushko

16: 50-17: 30 International Information and Science Symposium: Rheumatology Research and Publications Against the Background of the COVID-19 Pandemic

Participants: prof. Armen Gasparyan (England), Ph.D. O.O. Zimba (Lviv)

[Rheumatology research and publishing amidst the COVID-19 pandemic](#)

Armen Gasparyan, MD, PhD (Birmingham), Ph.D. O.O. Zimba (Lviv)

HALL (GH)

9: 00-11: 10 Section meeting: Pharmacotherapy of inflammatory arthritis

Moderator: prof. G.O. Protsenko, prof. Sl. Laughing

1. Unused treatment options for rheumatoid arthritis

O.B.. Yaremenko (Kyiv) - 20 minutes

2. The evolution of rheumatoid arthritis treatment: the place of new molecules

M.B. Juice (Kyiv) -20 minutes

3. Reactive arthritis. A new vision of the problem.

G.O. Protsenko (Kyiv) - 20 minutes

4. Methotrexate in the practice of rheumatology: are the opportunities fully utilized?

Sl. Smiyan (Ternopil) - 20 minutes

5. Rheumatic and immunoinflammatory complications of lung cancer in the conditions of therapy with endpoint inhibitor pembrolizumab (Clinical cases) - 20 min.

К.О. Удовиченко, І.В. Вельма, О.В. Gerasimenko, І.Ю. Golovach, ТМ Chipko (Kyiv) - 20 minutes

6. NT -proBNP in patients with RA - a marker of cardiovascular disease or a marker of inflammation?

L.V. Himion (Kyiv) -20 minutes

Answers to questions - 10 minutes.

11: 10-12: 20 Section meeting

Moderator: prof. G.O. Protsenko, prof. Sl. Герасименко

1. Synovectomy - therapeutic and prophylactic surgery on the knee joint in patients with rheumatoid arthritis

Sl. Gerasimenko (Kyiv) - 20 minutes.

2. Features of knee arthroplasty in patients with rheumatoid arthritis

M.V. Poluliakh (Kyiv) - 20 minutes.

3. Orthopedic treatment of lesions of the upper extremity in patients with rheumatoid arthritis.
A.M. Babko (Kyiv) - 20 minutes.
Answers to questions - 10 minutes.

12: 20-12: 40 Current report: Problems and possibilities of OA therapy: modern effective accents.
prof. D.G. Rekalov (Zaporizhzhya)

12: 40-13: 20 Scientific and practical symposium: ESCEO 2021 News
Moderator: Ph.D. E.D. Yehudina
Participants: Ph.D. S.A. Trypilka (Kharkiv), MD E.D. Yehudina (Kyiv) - 30 minutes
Answers to questions 10 minutes.

13:20-14:00 BREAK

14:00-14: 40 Round table: Osteoporosis and osteoarthritis in the elderly: the views of rheumatologists and neurologists.
