

2024 EULAR / ACR Exchange Programme

Washington, DC, USA, 13 - 19 November 2024

Detailed application requirements:

During the application process each applicant will be asked to fill in / upload:

- A **personal statement** outlining how participation in the EULAR/ACR program will benefit their research career and how they can contribute to the program (fill in directly).
- Current **curriculum vitae** (PDF format - please include publications in your CV).
This document should include:
 - **Summary of teaching activities** undertaken as a rheumatologist and **mentoring/supervision activities** (e.g. medical student projects, other PhD students, educational supervision (incl. date of activity), if applicable)
 - Your publications
- Letter of recommendation from a senior academician within rheumatology (PDF format)
- Letter of support from Chief of Rheumatology (PDF format)

Deadline to submit your application is 19 June 2024

Only complete applications submitted online through the EULAR website will be considered. It is the applicant's responsibility to review the application for completeness and errors, and to ensure that it adheres to all posted instructions. Applicants are responsible for submitting all required sections and documents prior to the deadline noted on this application.

Applicant compliance agreement:

Applicants agree to comply with the EULAR/ACR reporting requirements, including an experience report to be sent to EULAR after completion of the exchange.

Applicants agree to participate in the 2024 EULAR/ACR Exchange Programme, as well as the mandatory institution visit and workshop spanning one and a half day. They certify to be in possession of a passport valid for these dates and extending beyond the return date as required by the USA government, as well as their own country.

Applicants understand that they are responsible for all costs over and above the travel stipend provided as well as any costs related to spouse travel, accommodations, and incidentals.

Applicants understand that for organisational and collaboration purposes, EULAR may share the information they submit with parties relevant to the programme.

Funding for this program is made possible by contributions from the European Alliance of Associations for Rheumatology (EULAR) and the American College of Rheumatology (ACR)
