

EULAR Education – Declaration form

I, _____ (full name), hereby declare that the ultrasound images included in my presentation are solely my own, and all patient data has been anonymised.

I declare that, for this presentation I have:

- Created the PowerPoint slides, including appropriately cropped and zoomed ultrasound images, sourced from my own practice.
(This demonstrates my ability to produce effective teaching materials).
- Provided proper source references for any external materials used, including content from textbooks, published articles, or resources borrowed from colleagues.
(This reflects my understanding of plagiarism, my adherence to scientific methods in teaching, and my commitment to modelling these practices for my delegates).
